Your Electronic Donation to the Parish

Of the \$355,000 collected each year in the weekly offertory at St. Mary's, \$115,000 is donated electronically, through a secure process called Parish Giving. This helps the parish cash flow tremendously!

Online donations are safe and simple, saving the parish the expense of printing and mailing envelopes and making the transfer of money less risky since it goes from your bank or credit card directly to the parish bank. Many parishioners also enjoy getting reward points if they choose to use a credit card. When you are traveling during the summer you can be sure that the parish receives your donation by doing it online through the QR code below.

★ Family Based Religious Education Begins! ★

This Sunday, September 28th, we joyfully welcome back our students and families as we begin our Family-Based Religious Education here at St. Mary's. Our opening day will gather parents and children together to begin this year's faith journey, sharing prayer, learning, and community.

As a parish family, we ask you to please keep our children, parents, and catechists in your prayers. May this year be a time of growing closer to Christ, deepening knowledge of our Catholic faith, and building lasting friendships in our parish community. 🙏

During Sunday Mass, our students are invited to bring their school backpacks to receive a special Blessing of the Backpacks. This blessing reminds our children that God is with them in their studies, friendships, and daily life, surrounding them with grace and encouragement for the year ahead. ❤️

Let us all pray together for the guidance of the Holy Spirit, that this year of formation may strengthen our families in faith and draw us ever closer to the heart of Jesus. ✚
