## Addressing Our Parish Deficit

**As part of our commitment to transparency, we share this update with gratitude and hope:**

After 9 months, we are currently operating with a **\$78,710 deficit** (expenses over income) largely due to unexpected costs. A severe winter brought higher utility and insurance bills, along with major unplanned expenses: boiler and water heater repairs, \$25,000 in snow removal and salt, and damage to our roof and facilities.

We have also experienced a 10% decline in collections, and we mourn the loss of three generous parishioners whose support helped sustain our parish for many years.

**And yet, we are deeply grateful.**

Because of your continued generosity, St. Mary's remains a vibrant place of worship, community, and tradition. Thank you for all you have done—and continue to do—to support our parish.

### The Giving Month of May

In honor of our Patroness, the Blessed Mother, we are dedicating May as a special time of unity and generosity. We invite every parishioner to prayerfully consider making an additional "restricted gift" to help reduce our deficit.
